British Journal of Hospital Medicine

Index/volume 56

19 June 1996 to 14 January 1997

A

Academic medicine, is it threatened? Seamless training. *Focus on education and training.* KEF Hobbs 273
Acute respiratory distress syndrome and intrapulmonary inflammation, predicting. *Correction.* PT Reid and ST Donnelly 50
Addiction. *Review.* L Sell et al 136
Adjuvant treatment in high-risk breast cancer. *Corres.* RCF Leonard 112
Adolescence and childhood, current controversies in the dietary management of diabetes. *Review.* S Waldron 450
Africa, AIDS in. *Editorial.* CF Gilks 442
Afro-Caribbeans, ethnic differences in cardiovascular disease. *Cardiovascular forum* G Beevers 543
Ageing in black and ethnic minorities: a challenge to service provision. *Review.* J Askham 602
Aggressive treatment in follicular non-Hodgkin's lymphoma. *Focus on oncology.* HC Schouten....525
AIDS in Africa. *Editorial.* CF Gilks 442
Airway, upper. *Focus on respiratory medicine.* GK Scadding 401
Allergen avoidance. *Focus on respiratory medicine.* A Custovic and A Woodcock 409
Allergy testing in respiratory medicine. *Focus on respiratory medicine.* VA Varney and ST Holgate 406
Amnesia, transient global: alarming but benign condition. *Case report.* S Mahmoud and J Elizabeth 113
Anaemia, elective surgery in an anaemic Jehovah's witness. *Anaesthetic dilemma.* R Cooper and N Quiney 107
Anaesthesia
for day-case surgery. *Corres.* M Hitchcock and TW Ogg; SR Susay 50
for porphyria. *Review.* EMC Ashley 37
obstetric, a difficult problem. *Anaesthetic dilemma.* EC Wheatley et al 553
Anaesthetics, so you want to train in. *Focus on education and training.* SM Willatts 592
Anderson J and **McKane JP.** Munchausen syndrome by proxy. *Review.* 43
Angina, recurrent after coronary artery bypass surgery. *Focus on cardiology.* DR Ramsdale 331
Ankylosing spondylitis, renal transplantation in a patient with. *Anaesthetic dilemma.* B Kinirons and R Dwyer 298
Antibiotics
oral for common infections in children: for and against. *Review.* D Payne and SA McKenzie 481
resistance. *Editorial.* M Woodhead 315
Anticoagulation trials. *Focus on cardiology.* C Grahame-Clarke and RH Swanton 25
Antimicrobial therapy: towards the future. R Ellis and D Pillay.*Review.* 145
Antretter H and **Bonatti J.** Profound hypothermia. *Corres* 112
Appleton PJ, *see* **Parmar M and —**
Aranko K, *see* **Lapham G and —**
Ashley EMC. Anaesthesia for porphyria. *Review.* 37
Asians, ethnic differences in cardiovascular disease. *Cardiovascular forum.* JS Kooner 544
Askham J. Ageing in black and ethnic minorities: a challenge to service provision. *Review.* 602
Asthma
act early with inhaled steroids. *Conference news.* F Dunne 297
in the elderly. *Corres.* OMP Jolobe 488
AT_1 receptor blockers: an overview. *Cardiovascular forum.* G McInnes 546
Atherosclerosis, underlying mechanisms in. *Cardiovascular forum.* N Woolf 547
Audit, clinical and quality. *A-Z of management and finance in the NHS.* R Warren 496

B

Balen AH, *see* **Harrington DJ and —**
Banerjee AK. Caring for the elderly. *Review.* 159
Banking, private: a personal service. *Healthy finances.* R Way 367
Banning AP and **Hall RJC.** Assessment of competence of trainees in the medical specialties. *Focus on education and training* 588
Barrett CAM and **Klestov AC.** Unusual treatment of severe cutaneous lupus. *Case report* 368
Beevers G. Ethnic differences in cardiovascular disease: focus on Afro-Caribbeans. *Cardiovascular forum* 543
Bennett GCJ, *see* **Vernon MJ and —**
Binder A. Management of common shoulder problems. *Review.* 66
Bioavailability of two clodronate formulations. *Drug focus.* Lapham G et al 231
Bisphosphonates, role in metastatic bone disease. *Special report.* MJ Ellis; JA Kanis 339
Black and ethnic minorities, ageing in: a challenge to service provision. *Review.* J Askham 602
Bladder cancer, invasive, management. *Focus on oncology.* CC Parker and RA Huddart 213
Blood patch, epidural. *FRCA.* JG Hardman and NM Gajraj 268
Bodenham AR and **Klein H.** High dependency units: role and need. *Editorial* 192
Bonatti J, *see* Antretter H and —
Bone disease, metastatic and the role of bisphosphonates. *Special report.* MJC Ellis; JA Kanis 339
Bovine spongiform encephalopathy, a 1996 story to run and run. *In the public's view...* NW Goodman 573
Breast cancer, high-risk, adjuvant treatment in. *Corres.* RCF Leonard 112
Breech presentation management. *MRCOG.* NJ Saunders 456
British Paediatric Association, a new college. *Editorial.* R Meadow 312
Buckley PF. Treatment of schizophrenia: advances during the decade of the brain. *Review.* 574
Buggy D and **MacEvilly M.** Do epidurals cause back pain? *Review.* 99

C

Calman K. *The Health of the Nation. Editorial* 125
Carcinogenesis mechanisms and molecular epidemiology. *Review.* H Vainio and K Husgafvel-Pursiainen 162
Cardiac transplantation, follow-up after. *Focus on cardiology.* J Parameshwar 350
Cardiovascular disease
and cholesterol guidelines: can the UK afford them? *Cardiovascular forum.* J Reckless 545
ethnic differences in: focus on Afro-Caribbeans. *Cardiovascular forum.* G Beevers 543
ethnic differences in: focus on Asians. *Cardiovascular forum.* JS Kooner 544
Cardiovascular forum
A revolution in diabetic care. P Dodson 545
AT_1 receptor blockers: an overview. G McInnes 546
Cardiovascular disease and cholesterol guidelines: can the UK afford them? J Reckless 545
Ethnic differences in cardiovascular disease: focus on Afro-Caribbeans. G Beevers 543
Ethnic differences in cardiovascular disease: focus on Asians. JS Kooner 544
Experience with valsartan. T Pickup 546
Health survey for England: the state of hypertension management. N Poulter 542
Salt: old or new villain? G MacGregor 543
Underlying mechanisms in atherosclerosis. N Woolf 547
Care
caring for the elderly. *Review.* AK Banerjee 159
continuing: theory and practice. *Focus on psychiatry.* TKJ Craig and S Pathare ..461
of elderly people, changing patterns in. *Editorial.* KN Davies 313
management and the care programme approach, principles of computers in. *Focus on psychiatry.* B Ferguson 466
palliative: much more than terminal care. *Editorial.* D Doyle 252
palliative, difficult decisions in. *Palliative care symposium.* I Finlay 264
Carlson G and **Irving M.** How to get the most out of a period of research. *Focus on education and training* 275
Cervical incompetence: the shifting scene. *Editorial.* J Kirwan and RG Farquharson 503
Chest pain with normal coronary arteries. *Focus on cardiology.* DR Holdright 347
Childhood and adolescence, current controversies in the dietary management of diabetes. *Review.* S Waldron 450
Children
and loss. *Palliative care symposium.* B Monroe and F Kraus 260
health for all: a programme for health promotion. *Review.* DAC Elliman 291
health for all: a view from the community. *Editorial.* L Polnay 253
indications and restrictions of fluoroquinolone use. *Review.* SDR Green 420
oral antibiotics for common infections: for and against. *Review.* D Payne and SA McKenzie 481
planning your child's future. *Healthy finances.* J Collins 611
Cholesterol and cardiovascular disease guidelines: can the UK afford them? *Cardiovascular forum.* J Reckless 545
Clark A and **Coats A.** Heart failure trials. *Focus on cardiology* 29
Clinical academics, training for the future. *Editorial.* E Paice and S Heard 130
Clinical assessment, MRCPsych examination technique. *MRCPsych.* C Williams et al 11
Clinical audit and quality. *A-Z of management and finance in the NHS.* R Warren 496
Clinical pharmacology and therapeutics, advances in: endothelin. *Review.* DE Newby and DJ Webb 360
Clodronate formulation bioavailability. *Drug focus.* Lapham G et al 231
Clostridium difficile. *Review.* DC Settle 398
Coats A, *see* **Clark A and —**
Collective investment funds, a guide to. *Healthy finances.* R Way 550
College, new. *Editorial.* R Meadow 312
